Forecast for Saturday 29 May 2021

Weather: Cloudy overnight with a few clear spells, mist and fog will develop in prone spots and maybe slow to clear in the morning. A mix of cloud and sunny spells, some patches of low cloud will linger but it will be a fine day with good sunny spells developing and feeling warm in the sunshine.

Chance of cloud free mountain/hill tops above 800m: 70% improving to 90%, some low cloud lingering around the tops at times especially in the morning.

Visibility: Generally good visibility around the National Park but scattered cloud will cover the fell tops at times in the morning above 600m, this will become patchy in the afternoon with most peaks clear apart from the very highest ones.
